## Description

**Lviv. University and Park Named After Ivan Franko**

The former building of the Galician Sejm (now the main building of The Ivan Franko National University of Lviv) was built in 1877-1881 according to the project of architect Juliusz Hochberger. The monumental structure of the Sejm was built in the style of historicism under the influence of the neo-renaissance architecture of Vienna in the second half of the nineteenth century. It is distinguished by the wealth of the sculptural and ornamental decoration. In front of the building, you will find the oldest city park in all of Ukraine – the *Ivan Franko Park*, laid by the Lviv burghers in the XVI century and then later transferred to the Jesuit monks. For the longest time it was known as the *Jesuit Garden*.

The Ivan Franko National University of Lviv is one of the oldest universities in Ukraine and in the Eastern Europe, and one of the most prestigious in Ukraine. The educational institution is the heir to the collegium (1608-1661) and the Academy (1661-1773) of the Jesuits, Josephine University (1784-1805).

Some of the distinguished students, teachers and heads of the faculties and departments of the University were M. Hrushevsky, B. Dybovsky, A. Lazarenko, O. Stepaniv, I.

Franko, Y. Holovatsky, M. Pavlyk, K. Twardovsky, L. Pininsky, S. Banakh,
